*How do you relax?*

Doing sport. I love it. I especially like extreme sports like skiing or climbing. Last summer I took part in the first Quatriathlon World Championship, where I had to canoe, swim, cycle and run.

*When were you happiest?*

When my son was born and whenever I win a race.

*What is your greatest fear?*

Dying.

*What is your earliest memory?*

I remember very vividly playing a peculiar type of basketball with my older brother. We used a metal ring because I was only the size of a table!

*Which living person do you most admire, and why?*

Reinhold Messner (the first person to climb Mount Everest alone and without oxygen) or any other sportsman. You have to be mentally and physically strong to be at the top.

*What was your most embarrassing moment?*

I'm not easily embarrassed, but I remember once when I was at primary school and I tore my trousers.

*What is your most treasured possession?*

My son and my sport trophies.

*Where would you like to live?*

In any place that has both mountains and sea, like Granada or Barcelona.

*What would your superpower be?*

Maybe flying

*What is your least attractive habit?*

Eating too much and not combing my hair in the morning

*What is your favourite food?*

Fried eggs and chips...with a good beer!

*Who would you invite to your dream dinner party?*

Perhaps more than one person. Probably sports personalities such as Michael Jordan and Reinhold Messner. Also a beautiful woman, for example, Angelina Jolie.

*What has been your biggest disappointment?*

I remember once in a local race when my bike broke down near the finish line.

*If you could go back in time, where would you go?*

I'd choose ancient Egypt, but just for a short visit. If I had to stay longer I'd like to go back twenty years in time, when I was younger.

*What is the trait you most deplore in others?*

People who tell lies.

*What is the trait you most deplore in yourself?*

Well, sometimes I can be a little selfish

*What makes you depressed?*

A boring rainy day.

*What is your favourite word?*

Happiness.
